CROSS-PLATFORM DEVELOPER

LANGUAGES

Spanish: Native
English: B2 - Studying C1
Italian: Basic

ABOUT ME

I am a 20-year-old student, with a great passion for computing, more specifically for the part of AI and neural networks or cybersecurity.

Focused on my studies and profession. Efficient and productive.

Senior Technician in Multiplatform Application Development and future student of artificial intelligence + robotics engineering.

EXPERIENCE

Full Stack Developer

Indra || March 2023 - June 2023

Computer Technician Internship

King Juan Carlos Hospital || April 2021 - June 2021

EDUCATION

2023 - Present

BCs in computing & AI

MSMK University

2021 - 2023

CFGS Multiplatform Application Development

CES Juan Pablo II

2019 - 2021

CFGM Microcomputer Systems and Networks

Enrique Tierno Galván

CERTIFICATIONS

2023 - Present

CS50'S Introduction To Artificial Intelligence With Python

HarvardX

2023 - Present

Fundamentals Of TinyML

HarvardX

SKILLS

Odoo CRM

JS and Angular

Python

UiPath

Java

SQL
